## ABOUT ME

Hi, I'm Hridoy. I'm a web developer. Recently I did some Project. And I have faced a number of challenges. So I'm ready to take on any challenge now. If you are free, you can see my project.

## SKILLS

### Expertise:

- ❖ Javascript, React, HTML, CSS.
- ❖ Bootstrap, Material UI.
- ❖ Firebase, MongoDB, Node, Express.

### Tools:

- ❖ Vs Code, Git, Chrome Dev Tool.

## EDUCATION

### Diploma-in-Computer Engineering

Uttara Engineering College

2017- current

### SSC

Sristy Center Public High School

2016

## WORKS

### CREATIVE AGENCY UNITY

This is a project where the customer can now buy the service of his choice. This is a dynamic website. The desired data from the database is displayed on the site.

- ❑ [Website](#) ♦ [Client Repository](#) ♦ [Server Repository](#)
- ❑ **Technology:** HTML, CSS, React.js, Bootstrap, Firebase, MongoDB, Node.js, Express.js.

### VOLUNTEER NETWORK

Through this website, a user can add any of his data if he wants and delete it in the next. Moreover, the user can provide the service to someone else if he wants.

- ❑ [Website](#) ♦ [Client Repository](#) ♦ [Server Repository](#)
- ❑ **Technology:** HTML, CSS, React.js, Bootstrap, Firebase, MongoDB, Node.js, Express.js.

### TRAVEL GURU

This website is primarily for travelers. They can choose any place from this website and learn about the hotel arrangements there.

- ❑ [Website](#) ♦ [Client Repository](#)
- ❑ **Technology:** HTML, CSS, React, Material-UI, Firebase, MongoDB
